FRIDAY	SATURDAY	SUNDAY	MONDAY	TUESDAY and WEDNESDAY
<b>WM. FAVERSHAM</b> —in— <b>"The Man Who Lost Himself"</b> One of the greatest of American actors in a most delightful comedy drama. The management personally recommends this picture. Also <b>HAROLD LLOYD</b> —in— <b>"HAUNTED SPOOKS"</b> We guarantee this to be the funniest comedy you ever saw. It's GREAT!!	<b>DOUGLAS McLEAN</b> AND <b>DORIS MAY</b> —in— <b>Let's Be Fashionable</b> You have but to recall this gifted team in "23 1/2 Hours Leave"; "What's Your Husband Doing?"; "Mary's Ankle"; to know you may expect a "pippin" in "Let's Be Fashionable." Also Hank Mann in "The Paperhanger"	<b>BILLIE BURKE</b> —in— <b>"Away Goes Prudence"</b> Heed the fears of an earthy male when she wanted to fly through the air?—Never! So she ups and flees—demands of her father a "black-hand" ransom—becomes "queen" of a band of burglars—robs the man she loves—leads the cops to her scandalized home, and— you'll say she's a high-flier now! A love and laugh romance that takes the "prude" out of Prudence. Also Fox Sunshine Comedy and other attractions	<b>VIOLET HEMING</b> —in— <b>"THE COST"</b> Taken from the famous novel by David Graham Phillips, "The Cost" is one of the strongest dramatic attractions we have had recently. Everyone in Alma should see this picture. Also "Lightning Bryce" and Comedies	<b>"BLIND YOUTH"</b> "Blind Youth"—a photoplay that visualizes the high spots of romance in New YORK AND PARIS.  <b>Also Three Big Acts of Vaudeville</b> including The Great Belmont who makes Victor and Columbia records of his marvelous whistling. This is a genuine big time act, playing the Temple Theatre in Detroit a little later and is the most beautiful act we have yet shown you.

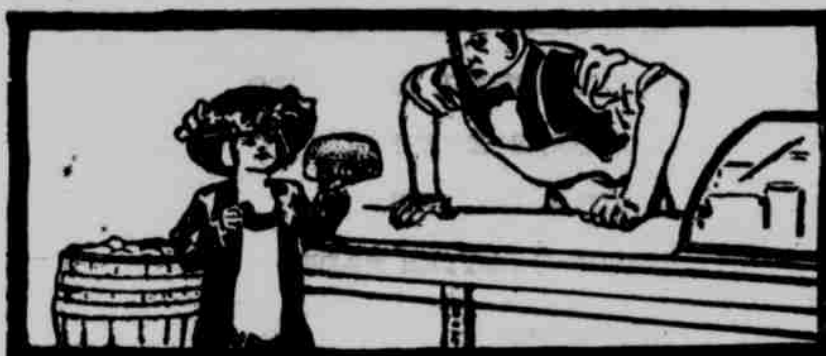

Thursday and Friday—A magnificent picturization of Mary Roberts Rinehart's greatest novel **"DANGEROUS DAYS"** We have seen this picture and know it to be one of the most spectacular, thrilling and wonderful productions ever screened

## Lily White

"The Flour the Best Cooks Use"

Is Sure to Please You

It is milled to meet all the requirements of quality, and yet it sells for only a little more than ordinary flour.

The quality of the flour comes out in the baking. How it bakes, the flavor, the color, the nutriment, all depend upon the selection of wheat and the processes of milling.

LILY WHITE is made from the choicest wheat grown in this country—not too hard, nor too soft, but just right for perfect balance. Only the "goodies" of the kernel are milled. The wheat is cleaned four times, scoured three times, and actually washed once before going onto the rolls for the first break. The result is a flour of superfine texture, of perfect uniformity of granulation, of a most palatable flavor, of unsurpassed color.

Everything baked from LILY WHITE is light, tender, delicious. It is an all-around flour. Countless thousands of women are enjoying reputations won from baking wonderful bread, rolls, biscuits and pastry from this high-grade flour.

Try LILY WHITE—Results will convince you. Satisfaction is guaranteed. Ask for LILY WHITE at your dealer's.
